Art In A Box

We are very honored this year to showcase the artwork of Internationally acclaimed, award winning Canadian Artist Edward Michell for this 1st year of the **ART IN A BOX** showcase.

We will be highlighting Michell's paintings in 2 brand new cargo containers that will be put on the corner property located at the corner of 4 St and 22nd Ave S.W. Calgary, Alberta.

The containers will be open from 9 am through 6 pm each day from Friday through Sunday September 18-20 and will be hosted by the Artist Edward Michell as well as a number of volunteers from the community and the International art community.

This is truly a wonderful experience in that it brings the art to the people, on street level for everyone to enjoy and take the art gallery scene out of its context and shares it with the people on a public street.

This Installation has been made possible with the generous support of the following corporations, Secure Fund, Calgary, Western Security Calgary, Rent Me Storage Systems, Calgary, The J Vandezande family, Bringing Art to the People, The Cliff Bungalow Community Association, The 4th Street BRZ, Junior League of Calgary

Thinking outside the Box, for

2004 – 4th Street Community Update

The 2004 - 4th Street development team is committed to providing the public and stakeholders with project updates. The following is a brief summary for the month of September.

- The site continues to be maintained on a daily basis with daytime supervision and after-hours security.
- Fencing is being monitored to protect pedestrian and vehicular traffic.
- Construction site conditions are being monitored for safety.
- In cooperation with the **Alberta Advanced Education and Technology, Apprenticeship and Industry Training Program**, Strategic Group and Morwest Crane are providing the 4th Street site and crane for crane operator testing. This crane operator testing will take place at various times through the month of September and it will be conducted during regular business hours.

Strategic Group is committed to the successful completion of the 2004 -4 Street project and would like to thank the community and all local businesses for their continued patience and understanding.
